

HAVE AN ISSUE WITH TRAFFIC SAFETY?  
WANT TO GET A POTHOLE OR GRAFFITI FIXED OR REPORT  
ON SOMETHING ELSE THAT'S BRINGING DOWN THE QUALITY  
OF YOUR PUBLIC SPACE?

1. Go To <http://www.seeclickfix.com> (Or Call 877.853.1552)
2. Click on the map where your issue is located and report the the problem.
3. Government or other organizations that can fix an issue will receive emails and can respond to the issue and close the ticket.

If you want to sign up an agency to receive alerts just draw their area on the "seefix" map and attach their email.

All issues reported on seeclickfix are viewable to the world and can be commented on by anyone. Additionally you can encourage your neighbors and friends to click on the ticket you reported and click "I want this fixed too" to petition for resolution.

By reporting and becoming involved as citizens we can help make our government be more efficient and fix up our public spaces.
